Hi Katrina,

Here is the draft work order with cost estimate. I tried to find the Superfund ID number for this site, and I was unsuccessful. Can you please add it? Please let me know if you have any questions.

Also, Jason informed me there weren't very many folks (missing a lot of the Tribes) on the Tar Creek call yesterday. If there is anything I can do to help with your sample planning, please give me a call anytime.

Thank you.
